

PRIVACY POLICY

DATA CONTROLLER

Securesi SRL with registered office in Italy, 33100 Udine, via Carducci 44 (VAT no. 03006040301), contact email info@securesi.it, as the Data Controller, provides this privacy policy pursuant to Art. 13 of EU Regulation no. 679/2016 (hereinafter also referred to as the "Regulation") to all Users (occasional visitors, customers, potential customers, suppliers, potential suppliers) of the website <https://www.securesi.it>.

TYPES OF DATA PROCESSED, LEGAL BASIS FOR PROCESSING AND RETENTION PERIODS

Navigation data

Certain personal data, the transmission of which is implicit in the use of Internet communication protocols, are acquired by the software and computer systems that enable the operation of this website <https://www.securesi.it>. This information is not collected to be associated with identified data subjects, but by its very nature could, through processing and association with data held by third parties, allow the identification of the user's origin and the methods used to consult the website.

DATA PROVIDED VOLUNTARILY BY THE USER

Personal contact data (telephone number, email address, address, etc.) or other information provided voluntarily and explicitly by Users by submitting requests through forms on the website <https://www.securesi.it> will be used for the sole purpose of executing the requested service or provision, or responding to any submitted complaint, unless the user expressly consents to receive commercial information for marketing purposes. Depending on the specific request formulated, and also considering the possibility that such data may be used to fulfill obligations provided by applicable laws and to comply with requests from authorities, the legal basis for processing may consist of:

- the necessity to comply with a legal obligation to which the Data Controller is subject;
- the necessity to execute a prior contract to which the data subject is a party or to execute pre-contractual measures adopted at the request of the data subject;
- the legitimate interest of the Data Controller to protect its rights;
- the consent to processing expressly given by the data subject.

These data are retained for a period strictly necessary for the fulfillment of the aforementioned purposes; upon expiration of this term, the data will be deleted, unless this is not possible to ensure compliance with specific legal obligations or if necessary to protect a right of the Data Controller, provided that the final retention period will not exceed what is required by the application of the principle of necessity.

In the event that consent has been given for the sending of commercial and marketing information, the contact data will be retained in accordance with the consent provided (which can be revoked at any time) and in compliance with applicable legislation and the guidelines issued by the Data Protection Authority.

COOKIES

As declared in the information notice provided to the user upon accessing the site, this website uses cookies, including third-party cookies. The legal basis for processing is the legitimate interest of the Data Controller or the express consent given by the User. For more details, including those relating to the retention periods of the collected information, please refer to the extended cookie policy available on the website.

OPTIONAL NATURE OF PROVIDING DATA

Apart from what has been specified for navigation data and cookies, the User is free to provide personal data to request information. Failure to provide, or the partial or inaccurate provision of data identified as mandatory, may result in the impossibility of responding to the message forwarded.

PROCESSING METHODS

Personal data are processed using electronic, automated, and manual tools, lawfully and fairly, for the fulfillment of the purposes for which they were collected and for the time strictly necessary to achieve them. The data will be processed exclusively by authorized personnel and by any third-party data processors. Specific security measures are observed to prevent data loss, unlawful or incorrect use, and unauthorized access. No data deriving from the User's navigation of the website is communicated or disseminated, except as provided by laws or regulations. Personal data will be transferred within the European Union and/or in any case in compliance with the provisions of EU Regulation no. 2016/679.

RIGHTS OF DATA SUBJECTS

The data are available to data subjects in an intelligible form, meaning that at any time it will be possible to request to know their origin, the purpose, and the methods on which the processing is based, to obtain access to them, their updating, rectification, integration, erasure, transformation into anonymous form, restriction of processing, to order the blocking of data processed in violation of the law, and to obtain a copy thereof in a structured, commonly used, and machine-readable format (or to transmit such data to another data controller without hindrance). Any express consent given for the processing of personal data may be revoked at

any time (without, however, affecting the lawfulness of the processing based on the consent given before the revocation).

Each User may exercise these rights against the Data Controller by writing to Securesi SRL (VAT no. 03006040301), with registered office at Via Carducci 44 - 33100 Udine, or via email at info@securesi.it. Data subjects may also lodge a complaint with the Supervisory Authority, represented in Italy by the Italian Data Protection Authority (Garante per la Protezione dei Dati Personali) <https://www.garanteprivacy.it>.

SOCIAL BUTTONS

The site features special "buttons" (called "social buttons/widgets") depicting the icons of social networks (e.g., Facebook, LinkedIn, etc.) and additional websites (Google+, SlideShare, etc.). These buttons allow Users to interact directly with social networks and other websites with a single "click". In this case, the social network and other websites acquire data relating to the User's visit. It is understood that the Data Controller will not share any navigation information or User data acquired through the website <https://www.securesi.it> with social networks and other websites accessible via Social buttons/widgets.

CHANGES TO THIS PRIVACY POLICY

This privacy policy may undergo modifications; users are therefore advised to check it regularly.
